8 weeks Summer Private Lessons and Music Camps

Summer can be a very productive time for music studies without many of the pressures of the school year. Therefore, private students taking lessons at The Master's Touch will continue in their current lesson time from May 30 thru July 22. During that time we will offer our students "lesson swap" summer program for those who have planned vacation time during our 8 week summer schedule.

This is also, a wonderful time to add additional lesson time or try a new study such as in guitar, piano, violin, drums, or voice lessons.

*PLEASE NOTE:* Many of our families take advantage of continuing their music studies in the summer and therefore are able to keep their current lesson time plus they do NOT have to re-register in the fall. This helps students to keep moving forward in their progress and therefore will be way ahead of the gang in the fall.

Summer Music Camps

(Keep watch for camp schedule posted soon...)

Fun and informative summer camps will be offered in areas such as Early Childhood Music & Drama, Group Piano & Guitar Camp, Drum Camp, Songwriting Camp, Band Camp and Violin Performance Camp.

July 23 thru August 6

The Master's Touch will be closed for summer break and  
Re-open on August 7 for fall semester.

*Thank you for helping your student aspire, achieve,  
and grow healthier in mind, body & spirit through music & the arts!*
